Dear Potential Sponsor,

As we celebrate 26 years as a nonprofit, we are writing to ask if your company would consider supporting Art & Creativity for Healing by sponsoring our **26th annual Palette of Colors Event.** This **all-inclusive evening includes dinner, casino tables, live and silent auctions, and an open bar** and will be held on **Saturday, April 25, 2026** at the **Ambassador Event Center** in **Irvine, California.**

All proceeds go directly to support our free programs in the community to help further **our mission: to support emotional healing through art and creative expression for those living in pain, grief, fear or stress,** in support of mental health**.**

Since 2000, we have served over 100,000 children and adults by providing free **Art4Healing® workshops** to over 40 partner agencies. Our goal for 2026 is to meet the funding needs of our core community nonprofit partner programs, which include:

- **"Creative Tools for Homeless Children and their Families Program,"** serving children and families experiencing homelessness in Orange County.
- "**Out of the Darkness: Women Survivors Program,"** helping women who are survivors of domestic violence.
- **"Vintage Colors: Art4Healing® Over 60,"** helping the underserved, low-income senior population in Orange County.
- **"Raging Colors: Expressive Painting for Teens,"** supporting the mental health of at-risk youth.
- **"Healing for Heroes and their Families,"** providing workshops to Wounded Warriors, local military families, and children on the Camp Pendleton Marine Base.
- **"Exceptional Families: Children, Teens and their Families with Developmental Disorders,"** for children/adults with developmental disorders or intellectual disabilities and their caregivers.

Our 2026 dinner & auction gala will draw 250 attendees and raise over $100,000 to support our free Art4Healing® programs for children and adults. With the support we receive each year from this event, we can continue providing free workshops to help those in need and their mental health.

As a sponsor, you would be giving more than just a dollar amount, you would be **giving pain a voice with art.** I have attached a list of sponsorship opportunities. This unique gala has sold out for the past 5 years and we encourage you to **secure your sponsor tables** before January 15, 2026.

If you have any questions, please feel free to contact us at info@art4healing.org or 949-367-1902.

Thank you in advance for your consideration and spirit of giving.

With Heartfelt Thanks,

Laurie Zagon

ART & CREATIVITY FOR HEALING

OUR MISSION

We give pain a voice and meaning by providing therapeutic art workshops to support emotional healing for children, families, individuals, and military personnel using our unique Art4Healing® method. These workshops and community programs offer expression, encouragement, clarity, and insight, and are held at our facility in Laguna Hills, CA, and on-site at hospitals, treatment centers, schools, military facilities, shelters, and other non-profit centers.

A CREATIVE PROCESS THAT PROMOTES MENTAL HEALTH

Art & Creativity for Healing facilitates the creative process while encouraging emotional healing—and these two paths often intersect when words are not adequate, and pain is too deep. The mix of artistic development and expression coupled with a creative healing model allows participants to learn a new way of communicating through color that encourages emotional breakthroughs and further enhances the therapy process. Unlike other art programs that employ a loose format of free expression, the Art4Healing® curriculum contains strictly guided exercises, conducted by trained and certified facilitators.

A HISTORY OF TRANSFORMATIONAL IMPACT

Since our inception in 2000, Art & Creativity for Healing, Inc., a 501(c)(3) nonprofit corporation, has directly fostered transformational change for over 100,000 children, women, and families who have found our creative intervention a valuable tool to address the often unbearable pain in their lives.

With more than 40 non-profit program partners in Orange and Los Angeles counties, we have created an effective methodology for reaching people in pain. Thanks to the support of foundations, corporate and private donors, we are able to provide programs and services for approximately 4,000 Orange County and Los Angeles residents each year. We serve all individuals regardless of race, creed, sex, age, or emotional stability.
